WELCOME TO BLUE RIDGE

Gateway To The Blue Ridge Mountains

Discover the matchless beauty, warm hospitality and rich heritage of our friendly mountain community. In 1886, the Marietta and Northern Railroad came to Fannin County and in 1887 the town of Blue Ridge was born. As a result of the railroad, the little town flourished. The golden age of railroads is long past, but you and your children can still ride the same spectacular route beside the Toccoa River on the Blue Ridge Scenic Railway.

In town you'll find an array of antique shops, art galleries, specialty shops and restaurants. For outdoor enthusiasts, there's hiking, biking, tubing, rafting, fishing, hunting and horseback riding — all just minutes away. Relax and see the town, enjoy a picnic lunch in our lovely downtown park, or dine in one of the many area restaurants. After sundown, catch a movie at "The Swan," one of the few drive-in theatres in Georgia. Then at day's end, relax in your comfortable motel, cozy rental cabin or quaint bed & breakfast and enjoy a wonderful night's sleep in our clean mountain air.

It's all waiting for you, here in beautiful, historic Blue Ridge, Georgia.
